MEMORANDUM FOR: D/NFAC

FROM: Senior Review Panel

SUBJECT: Proposal to Establish
a New Intelligence Publication

25X1

Along the lines of our last discussion the Panel has provided with our views with respect to the Panel's role in the project. Rather than commenting at this time on the many advantages and disadvantages of the overall plan, the Panel would be happy to discuss it with you after we have all had an opportunity to review his final draft.
